

Summary

Results-driven DevOps Engineer with expertise in IT infrastructure, network security, and deployment operations. Skilled in CI/CD pipelines, containerization, and cloud services. Proven ability to automate processes, enhance system efficiency, and implement innovative solutions. Committed to continuous learning and staying updated with the latest technologies to ensure robust and secure systems.

Experience

C-DAC: Centre for Development of Advanced Computing	Nov 2022 - Present
Project Engineer	Pune
<div><div></div><div>Developed strong communication and organizational skills through working on group projects.</div></div> <div><div></div><div>Supervised a smooth transition from local project development to GitLab flow with an efficient branching strategy.</div></div> <div><div></div><div>Spearheaded migration to GitLab CI/CD to automate the current projects in the organization.</div></div> <div><div></div><div>Implemented automated SonarQube integration into CI/CD for better code analysis.</div></div> <div><div></div><div>Containerized multiple microservices applications and databases for efficiency using docker and docker swarm.</div></div> <div><div></div><div>Developed a workflow for spring-boot microservices logging and tracing, using Rsyslog, Promtail-Loki, Prometheus, and Grafana.</div></div>	

Amazon	Jul 2018 - Mar 2021
CSA & SME	Pune
<div><div></div><div>Developed interpersonal skills while helping in amazing customer service and troubleshooting issues.</div></div> <div><div></div><div>Trained new personnel regarding company operations, policies, and services gaining leadership skills.</div></div>	

Education

C-DAC	2022	PVPIT, Budhgaon	2018
IT Infrastructure, Systems and Security	Postgrad Diploma	Information Technology	B.E
Government Polytechnic, Miraj	2015		
Computer Engineering	Diploma in Engineering		

Projects

K8s Cluster IDS with SPLUNK	Linux Local System Enumeration
Kubernetes cluster of AWS Instances secured with IDS & SPLUNK	Provides System Information
Darkly-Scanner	Auto DHCP
Port Scanner Tool	Auto DHCP configuration with Bash

Skills

Linux Administration	AWS	C Programming	Docker
Kubernetes	NAGIOS	SNORT	Bash Scripting
Python	SPLUNK	GitLab CI/CD	GitHub Actions
Jenkins	BitBucket	Docker Swarm	

Interests

Photography	Movie Enthusiast	Video Gaming
-------------	------------------	--------------

Certifications

Machine Learning & Python	Bash Mastery	GitLab CI: Pipelines, CI/CD and DevOps
ShapeAI	Udemy	Udemy
